| Important Questions   | Answers  | Why This Matters:  |
|---|--|--|
| What is the overall <a href="#">deductible</a> ?                                | For <a href="#">Network Providers</a> (Preferred Providers): <b>\$2,000 for Single, \$4,000 for Family.</b><br>For <a href="#">Out-of-Network Providers</a> (Nonpreferred Providers): <b>\$4,000 for Single, \$8,000 for Family.</b> | Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for covered services you use. See the chart starting on page 2 for how much you pay for covered services after you meet the <a href="#">deductible</a> . See the chart starting on page 2 for how much you pay for covered services after you meet the <a href="#">deductible</a> .   |
| Are there services covered before you meet your <a href="#">deductible</a> ?    | Yes. <a href="#">Preventative Care</a> is covered before you meet your <a href="#">deductible</a> .  | This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> at a <a href="#">network provider</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . |
| Are there other <a href="#">deductibles</a> for specific services?              | No, there are no other specific <a href="#">deductibles</a> .  | You don't have to meet <a href="#">deductibles</a> for specific services, but see the chart starting on page 2 for other costs for services this plan covers.  |
| What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ? | For <a href="#">Network Providers</a> (Preferred Providers): <b>\$3,750 for Single, \$7,500 for family.</b> For <a href="#">Out-of-Network Providers</a> (Nonpreferred Providers): <b>\$7,500 for Single, \$15,000 for family.</b>   | The <b><a href="#">out-of-pocket limit</a></b> is the most you could pay in a year for your share of the cost of covered services. If you have other family members in this plan, they have to meet their own <b><a href="#">out-of-pocket limits</a></b> until the overall family <b><a href="#">out-of-pocket limit</a></b> has been met. This limit helps you plan for health care expenses.  |
| What is not included in the <a href="#">out-of-pocket limit</a> ?               | Penalties for failure to preauthorize services, <a href="#">premiums</a> , <a href="#">balance-billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.   | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .  |

|  |  |  |
|--|--|--|
| <b>Will you pay less if you use a <a href="#">network provider</a>?</b>            | Yes. For a list of participating providers, see <a href="http://www.groupplansolutions.com">www.groupplansolutions.com</a> . Click "Member", then "Find a Provider." See your Plan ID card to choose the correct Network; call 888-301-0747. | This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Plans use the term in-network, preferred, or participating for <a href="#">providers</a> in their <a href="#">network</a> . Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services. See the chart starting on page 2 for how this plan pays different kinds of <a href="#">providers</a> . |
| <b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b> | No. You don't need a referral to see a specialist.   | This <a href="#">plan</a> will pay some or all of the costs to see a <a href="#">specialist</a> for covered services. You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> from this plan.   |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
